Dear Mr. [Name]

I have your letter of the 11th inst. and am glad to hear that you are interested in the [subject]. I have been thinking about this for some time and I think I can give you some information that may be of interest to you.

The [subject] is a very important one and I think it is worth your while to know more about it. I have been studying it for some time and I have found that there are many things that are not generally known about it.

I think I can give you some information that may be of interest to you. I have been thinking about this for some time and I think I can give you some information that may be of interest to you.

I think I can give you some information that may be of interest to you. I have been thinking about this for some time and I think I can give you some information that may be of interest to you.

I am, Sir, very truly yours,
 [Signature]
